Re: MUR 3774

Dear Ms. Ordrowski:

I am writing on behalf of our clients National Right to Life Committee, Inc., National Right to Life Political Action Committee and Amarie C. Natividad as treasurer, Minnesota Citizens Concerned for Life, Inc., and Minnesota Citizens Concerned for Life Committee for a Pro-Life Congress and Jacqueline A. Schweitz as treasurer.

I am writing in order to request an extension of time within which to respond to the Federal Election Commission's Subpoenas to Produce Documents and Orders to Submit Written Answers. As we discussed during our telephone conversation of today's date, we would ask that the deadlines for responding to same be extended from March 27, 1997 up to and including April 8, 1997.

We believe that, in the exercise of due diligence, full and accurate compliance with the terms of the Subpoenas and Orders will require the additional time.

This request for an extension is supported by good cause because the sweeping nature of the Subpoenas and Orders necessitates an in-depth investigation of the activities of our clients over an extended period of time. Specifically, the FEC requests a broad range of information involving an extensive time-frame, a large number of persons, a large number of communications between and among such persons and a significant amount of documentation. Moreover, because of the number of clients involved, the task of assembling all of the information will be especially time-consuming.

For the foregoing reasons, our clients will be unable to

comply with the Subpoenas and Orders by the original deadline, and therefore, respectfully request an extension until and including April 8, 1997.

Thank you very much for your attention to this matter.

Sincerely,

BOPP, COLESON & BOSTROM
